REPURPOSE

REFURBISH

REIMAGINE

Out with the old, in with the renewed.

Make room for the possibility of a workplace programmed and tailored specifically to your organization. Rework helps you balance and blend existing furniture with new, pre-owned, and refurbished products to create a uniquely different and sustainable solution. Visit our 300,000 SF facility in Chicago, IL and see for yourself, or let your fingers do the walking and explore our extensive on-line inventory.

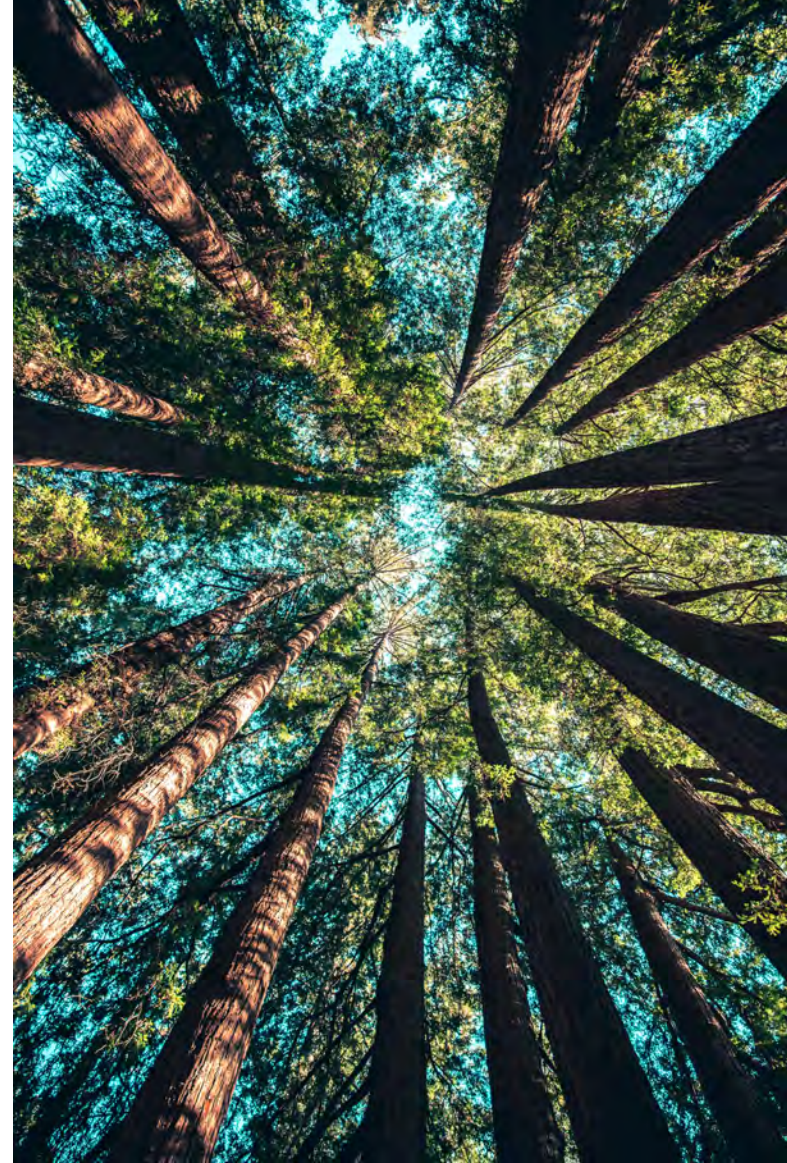

Rework is a business built on sustainability. Since 1993 Rework has been repurposing, refurbishing and refreshing office furniture and “Greening-Up” workplaces all across the country!

Our world, Our responsibility

Here's how Rework lives and breathes sustainability:

- Rework reduces the amount of product sent to landfill each year
- Rework conserves natural resources and energy
- Rework protects virgin materials
- The labor and energy required to refurbish furniture is 80-90% LESS than manufacturing new.
- Rework partners with corporations to achieve their social, financial, and environmental stewardship goals.

Reimagine your workplace. Invigorate your business with a new look. The Rework design team works hand in hand with you or your designer to achieve a comprehensive furniture and specification plan based on your projects specific interiors design requirements. With over 20 years of experience our design team adds unique value by providing a specialized commercial interiors perspective and a relentless attention to detail. Rework specializes in design and office space planning and our services include:

- Interior Design
